RULES OF COMPETITION:

1. Running events will follow a rolling event schedule that is subject to change if weather conditions dictate.
2. Athletes will receive competitor numbers, and we will need coaches to ensure that competitor number worn by the athlete in the meet matches the athlete's assigned competitor number.
3. Athletes should compete in their appropriate division, either K-3rd or 4th-5th. Any athlete who competes up, can only compete in the higher division for the duration of the meet (i.e. no athlete may compete in both divisions during the meet). Athletes may not compete down.
4. Long jumpers will receive 3 attempts. Long jump will be conducted cafeteria style/open pit, rather than in flights. We will explain this process at the 1:00 Coaches Meeting.
5. Athletes will report to each event and be assigned to a heat/section at check-in. Coaches will be asked to submit relay cards for each relay event that identify the athletes on each relay.
