

SUBMITTING ENTRIES

ENTRY SUBMISSION: all entries must be submitted through Athletic.net

ENTRIES: entry submission is through Athletic.net. Coaches will enter their athletes in either the Junior (5th-6th grade) Division 800 or 1600, or Senior (7th-8th grade) Division 800 or 1600, and athletes will ultimately be seeded on the basis of their entry times. Athletes who do not make it into the fast heat of their event will be moved into an Open heat, seeded on the basis of time.

Note that if this is the first time you have used Athletic.net to submit entries to a meet - in order to submit entries through Athletic.net, it is necessary to first create a (free) Athletic.net account for your team. If you have questions regarding how to set up an account, then feel free to contact David Flaughner at dflaughner@dcracetiming.com or meet director Barry Haworth at bmhaworth@louisville.edu

ENTRY DEADLINE: Sunday, April 28 at 7:00pm – this is a firm deadline, and so we cannot accept any entries once this deadline passes. If the meet reaches capacity prior to the entry deadline, then we reserve the right to close entries before that deadline. If the meet does close early, then we will place remaining teams on a waiting list and invite their entry into the meet if space becomes available.

Note that all athletes on your roster must include a name, grade and gender. If it's possible to include a seed performance, then that would be a great addition.

Only athletes who've been entered in the meet will receive a competitor number, and only athletes with competitor numbers will be allowed to compete.
