Entry deadline: Tuesday, March 24 at 9:00pm

Team entry fees (for 4 or more athletes): \$30 per girls team, \$30 per boys team

Note: each team entry fee allows unlimited entries in all boys races or all girls races.

Individual entry fees (for 3 or fewer athletes): \$8 per individual girl, \$8 per individual boy

Entry fee checks should be made out to Assumption High School and can either be brought to the meet or mailed to Assumption HS Athletics, Attn: Barry Haworth, 2170 Tyler Lane, Louisville, KY, 40205.

ENTRIES: Coaches may enter their athletes in one of 3 divisions, where each division will have athletes competing in an 800 or 1600m race.

Open Division: this division includes athletes in 5th, 6th, 7th, and 8th grade

Junior Division: this division includes athletes in 5th and 6th grade

Senior Division: this division includes athletes in 7th and 8th grade

The Junior and Senior division races are Championship races, and will consist of the top entries in each Junior and Senior event. The top entry cutoff is typically 16-18 athletes.

Once the entries close, the top entries in the Junior 800, Junior 1600, Senior 800 and Senior 1600 will remain in those events.

Athletes entered in the Junior 800, Junior 1600, Senior 800 and Senior 1600 who do not make the top entries cutoff will be moved over to the Open Division 800 or Open Division 1600, depending on the race where they were originally entered. E.g., an athlete entered in the Junior Division 800 who does not make the top entries cutoff in that event will be moved to the Open Division 800. Similarly for athletes entered in the Junior 1600, Senior 800 or Senior 1600.

Note that if this is the first time you have used Athletic.net to submit entries to a meet - in order to submit entries through Athletic.net, it is necessary to first create a (free) Athletic.net account for your team. If you have questions regarding how to set up an account, then feel free to contact David Flaughner at dflaughner@dcracetiming.com or meet director Barry Haworth at bmhaworth@louisville.edu

ENTRY DEADLINE: Tuesday, March 24 at 9:00pm – this is a firm deadline, and so we cannot accept any entries once this deadline passes. *If the meet reaches capacity prior to the entry deadline, then we reserve the right to close entries before that deadline.* If the meet does close early, then we will place remaining teams on a waiting list and invite their entry into the meet as space becomes available.

Note that all athletes on your roster must include a name, grade and gender. Seed times will be automatically generated from season best performances from 2026, but we will allow coaches to override seed times. In the Junior and Senior Division races, when a coach enters a seed time that overrides their athlete's season best, the coach must also provide evidence of that athlete's performance. We will verify all seed times that coaches enter for their athletes expected to make our top entries cutoff in the Junior and Senior division races.

Only athletes who've been entered in the meet will receive a competitor number, and only athletes with competitor numbers will be allowed to compete.
